- a. "Preexisting condition," which means "any condition for which a veterinarian provided medical advice, the pet received treatment for, or the pet displayed signs or symptoms consistent with the stated condition prior to the effective date of a pet insurance policy or during any waiting period."
- b. Other exclusions may apply. Please refer to the exclusions section of the policy for more information.
- 2. Your policy has these provisions that limit coverage:
- a. Section 3 of your policy says that your policy is effective during the dates and times shown on your Declarations Page or Renewal Certificate and your policy effective date will not be earlier than 14 days after we approve your application and receive your payment.
- b. Section 4 of your policy—BENEFIT PROVISIONS—says that both a deductible and a coinsurance percentage, listed on your Declarations Page or Renewal Certificate, apply to your policy. Section 4. B. explains how we will apply your Deductible and Coinsurance percentage to your covered veterinary expenses.
- 3. We do not reduce coverage or increase premiums based on your claim history.
- 4. Description of the basis or formula on which we determine claim payments under your policy. We review all invoices for veterinary services and supporting forms and documentation you submit and determine whether the expenses you submit are covered under your policy. If your expenses meet the terms of the insuring agreement of your policy, we determine whether any other policy provision excludes or limits coverage. If you have complied with all policy terms and conditions and if the veterinary services expenses you submit to us are payable under your policy, we pay these expenses subject to all terms, conditions, limitations, and exclusions of your policy.
